

## Rubric

Welcome to the Intercollegiate Pediatric Research Journal Club! Below is a rubric for content you should include in the literary review of each paper. Each article will be posted at 3:00 PM PST every Monday, and you will have until the following Sunday at 11:59 PM PST to submit the paper [through this linked Google Form](#).

### General Requirements

- Written in paragraph/essay format
- Does NOT need to be MLA style or have a works cited
- Includes name and date of submission in the heading
- Should be *at least 1.5 pages double-spaced*
- Submit your paper through a Google Form linked on the website and in the email through PDF format

### Literary Critiquing Format

#### *Introduction*

- Brief summary of the problem, case study, and methods employed
- Description of the results and conclusion (if included)

#### *Background and Concepts*

- Define at least 3 words you didn't know prior
- Discuss 2 concepts in your own words

#### *Audience*

- Define the general audience of the article
- Bring up any possible questions/concerns

#### *Ethical Concerns*

- Discuss at least 2-3 ethical concerns present in the paper
- Make a connection to *at least one* healthcare policy related to the research topic

#### *General Analysis*

- Address any biases or assumptions present in the paper
- Discuss any related experiments to the given topic
- Bring up any changes you would make to the given article or something you wish was addressed more thoroughly

In our optional, biweekly Zoom meetings, we will address the above and additional questions to dissect the given article. Therefore, doing a thorough job with this write-up will provide an advantage in
